

Dear Friend,

On September 18, 2011 the Kidney & Urology Foundation will hold its Annual Walk the Walk at Belmont Lake State Park in Babylon, NY. Personalized Mile Markers will be available. Supporters of organ donation, donors, recipients, transplant surgeons, nephrologists and friends of the Foundation join together on this one fantastic day that is truly a tribute to life.

We hope you will applaud their efforts by purchasing your very own mile marker. The mile markers will line the walk route for all to see.

All monies raised from this event will go to support the life-saving programs of the Kidney & Urology Foundation and public awareness in the area of organ and tissue donation.

Please show you care.
